Permission Slip – Bay Shore Jewish Centre

I give my son/daughter _____ permission to visit the Jewish Centre of Bay Shore with their Confirmation I Religious Education Class on Tuesday, November 20, 2018. This special lesson will highlight the rich faith heritage we share.

I understand that the students will be accompanied by their catechists as well as other supervisors. **Students will meet in MPH as usual at the regular time. (7:00pm sharp!)** We will walk to the Jewish Centre (four buildings north of the school) as a group and will **return to MPH for parent pickup by 8:30pm**. There will be no Mass that evening because of our visit.

****Because we are visitors and want to show respect to our Jewish neighbors, all students are asked to dress nicely for this special day.**

No student may attend without a written permission slip.
