

St. Patrick School

Vision and Values

January, 2021

Dear St. Patrick School Families,

Thank you for choosing St. Patrick School for your child. We understand it is a sacrifice and we try to keep tuition as low as possible. In normal years the overall expense in providing quality education is a major challenge for Catholic Education. This has been an unprecedented year and we are proud to have opened our doors in September to full day, five days a week, in school learning. In order to do this safely for our children, we incurred substantial expenses such as hiring additional staff, security, materials to keep our children safe, extra cleaning and sanitizing services and space considerations in setting up our junior high school annex at MPH. These were costly and labor-intensive efforts which directly affect our bottom line.

To keep our tuition affordable as is practical, with the advice of our Finance Council it has been decided to raise tuition for the coming year by \$275 per family rate for students in Grades K-8. Below please find tuition rates for the coming 2021-2022 school year.

<u>Grade N-8</u>	<u>2021-2022 Tuition</u>	<u>\$ Increase</u>
Kindergarten	\$ 3,000.00	\$ 30.00/month
<u>Grades 1-8</u>		
1 child	\$ 5,705.00	\$ 27.50/month
2 children	\$ 8,764.00	\$ 27.50/month
3 or more children	\$ 11,825.00	\$ 27.50/month

Nursery (1/2 day) and Pre-K (full day) (contingent upon enrollment) will be offered at a discounted tuition of \$1,000.00 per child for Nursery and \$1,500.00 per child for Pre-K for those Parish families who live within the parish boundaries and support our parish, or a registered family that has been attending and contributing to the support of the parish for 2 years prior to registration.

For non-Parish families, Tuition is as follows:

<u>Nursery</u>	<u>2021-2022 Tuition</u>	<u>\$ Increase</u>
5 ½ day	\$ 4,879.00	\$ 27.50/month

8TH Grade Loyalty Reward

In addition, for the 2021-2022 school year, families with students entering the 8th grade will be given \$50 credit for each year that student has attended St. Patrick School in Bay Shore. For the 2021-2022 School year-the maximum credit could be \$550 (Nursery -8th grade). **Please note: Although we are blessed to be in a position to offer this reward for the foreseeable future, if some unforeseen circumstances were to render it no longer feasible at a future date, any potentially affected families will be notified in a timely manner.**
